## Training Center Miyazaki

Facilities designed to fit the demanding training schedules of top players, with grounds offering the highest quality turf!

The core facility of "Sportsland Miyazaki."

Catering to professional and amateur athletes alike.

High quality grounds and clubhouse, perfect for training at the highest level.

### The Grounds

- Soccer/Rugby Grounds: Play on the highest quality natural turf, 'Tif Grand', commonly used in national stadiums.
- Multi-Purpose Grounds: "Hybrid Turf (SIS Grass), made by combining artificial and natural grass. Highly resistant to strong pressure.

### The Clubhouse

- Flexible room layouts to fit the needs of all athletes.
- Open glass facade allowing athletes to continue activities out onto the field.
- Sports lockers are provided and can be used by up to 60 people.

Training Room

Equipped with training equipment to suit the needs of athletes at all levels.

Indoor practice field

A spacious area with a high ceiling, suitable for soccer and rubber baseball practice.

Local materials, Olympic legacy

The same local lumber that built the Athletes' Village Plaza at the Tokyo Olympics.

Hybrid Turf

Combining natural and artificial turf to increase durability.
